Commandant's Desk

At Bhonsala Military School, we believe true education is a balance of academic excellence, physical fitness and strong character.

Academics build knowledge, discipline and critical thinking, forming the foundation of a successful future. Equally, games and sports play a vital role in shaping our Ramdandees into strong, disciplined and resilient individuals. Regular participation in sports enhances

physical endurance, sharpens mental strength and instills essential values such as teamwork, leadership, perseverance and sportsmanship. The spirit developed on the field prepares our Ramdandees to face real-life challenges with confidence and determination.

I also request parents to encourage their wards to actively participate in outdoor games and maintain physical fitness during the vacation, alongside their academic engagement and personal development. Remember, discipline, consistency and an active lifestyle are the true keys to success.

I extend my sincere gratitude to all parents and staff for their unwavering support and dedication throughout the academic year.

All Ramdandees are expected to return with renewed energy and a stronger commitment to excel in all spheres of life. Wishing all Ramdandees and their families a safe, healthy and productive vacation.

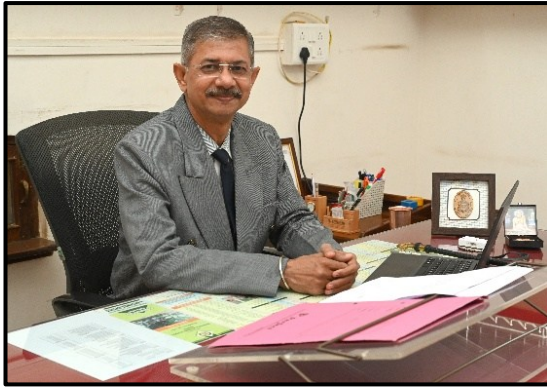

Warm Regards,

Col Sandeep Puri (Retd.)
Commandant

SUMMER MILITARY TRAINING COURSE (SMTC)

"Building Leaders Since 1938"

It gives me immense pride to reflect upon the successful conduct of the Summer Military Training Course (SMTC), a premier one-month residential programme

organised by CHMES and hosted at Bhonsala Military School. Established in 1938, just a year after the school's founding in 1937, SMTC continues to uphold its rich legacy of shaping young minds through discipline, resilience and character-building.

Conducted this year from 14th April to 13th May 2026, the course once again provided students with a unique opportunity to experience a structured and disciplined lifestyle. For many participants, this programme marked their first step towards independent living, helping them grow into self-reliant and responsible individuals.

The well-designed daily schedule, beginning at 05:00 AM and extending until 10:30 PM, instilled in cadets the values of time management, perseverance, and dedication. Through rigorous physical training and a balanced routine, students demonstrated remarkable improvement in their fitness, stamina and overall confidence.

The course culminated in a Cultural Function, followed by an impressive Military Training Demonstration, where cadets proudly showcased their skills with discipline and confidence before their families.

SMTC is not merely a summer programme; it is a foundation for future leaders and a pathway to national service. It is noteworthy that distinguished personalities such as Air Chief Marshal Vivek Ram Choudhary (Retd), PVSM, AVSM, VSM and Shri Vasant Sathe, former Union Minister, have been associated with this esteemed course.

I extend my sincere appreciation to all the instructors, staff members, and participants for their dedication and commitment in making this programme a grand success. I am confident that the values imbibed during this course will guide our students towards excellence in all spheres of life.

Best Regards,
Maj. V. J. Kawale
Principal

THE IMPORTANCE OF GURUS AND SPIRITUAL GUIDANCE

WRITTEN BY
RD. M. LUCKY REDDY

THE DIVINE DWAR (GATEWAY)

As Haridwar is the Dwar (Gateway) to divine abodes, a Guru is the gateway to knowledge and spiritual growth. The word 'Dwar' refers to an entry point, and a Guru serves as this portal.

COMPASSIONATE GUIDANCE & CHARACTER

Just as a mother cares for her child with unconditional love, a Guru guides their disciples with compassion and wisdom, sharing blessings purely.

Selfless, kind, and compassionate, Gurus are regarded as the purest beings. They are messengers of God who shape a person's character and direct them on the right path, always striving to help students achieve their highest goals.

GURUS AND THE FOUR GOALS OF LIFE

A Guru helps a person balance the four key objectives of human life. They guide us to live balanced and meaningful lives, leading towards a harmonious existence.

ULTIMATE ENLIGHTENMENT

Gurus teach us how to live rightly and lead us towards truth, wisdom, and spiritual enlightenment. The essence of their guidance is to achieve ultimate liberation and self-realization.

4th PTA Interaction – Academic Review and Growth Mapping of Ramdandees

The 4th Parent-Teacher Association (PTA) meeting was conducted on 11th April 2026 in the Chairman's Cabin in a disciplined and well-structured manner with the presence of PTA executive members, teachers, and school authorities. The interaction emphasized learning outcomes, behavioural standards, classroom participation, and overall student progress. Teachers presented performance insights and

recommended targeted strategies for improvement, while parents actively shared their feedback and suggestions. The session concluded with a collective resolve to strengthen academic support and ensure consistent development of Ramdandees.

PTM Interaction – Growth and Engagement Review of Ramdandees

The 4th Parent-Teacher Meeting was held on 11th April 2026 in the Dr. Moonje Hall in an organized and cooperative environment with the active involvement of parents and teachers. The meeting was guided by School Commandant Col. Sandeep Puri and Principal Maj. Vikrant Kawale. The discussion covered Ramdandees learning progress, discipline standards, behavioural observations and participation in academic activities. Teachers shared evaluative remarks and guidance points, while parents contributed meaningful observations from their perspective. The meeting reinforced strong coordination between parents and teachers, aiming at steady improvement and the overall development of Ramdandees.

87th Summer Military Training Course – A Journey of Strength and Growth

The 87th Summer Military Training Course was held from 14/04/2026 to 13/05/2026. A total of 160 boys in the age group of 15 to 21 years participated in the camp. The participants, also known as *Ramdandees*, underwent one month of intensive military training.

The training included horse riding, weapon firing practice, drill, hiking, trekking, rafting and swimming.

Inter Platoon matches in various games were also conducted. Along with physical training, expert lectures were conducted on topics such as personality development, value education, the history of science, *Vande Mataram* and India's defence capabilities.

Visits to defence establishments were also organized, providing practical exposure.

Various adventure activities helped in developing discipline, confidence, courage and leadership qualities among the participants.

Overall, the camp proved to be a valuable experience, offering insights into military life and contributing to the all-round development of the Ramdandees.
